Dear Mr Bowo,

Thank you for your email.

The papers from TelSaTech 2015 will be in Advanced Science Letters on Vol 21 No 11. We expect the publication will go alive on February 2016.

The draft of TelSaTech 2015 papers that need to revise due to artwork copyrighted issues and some incomplete contents that will be published in Advanced Science

Letters is in <http://telsatech.org/21ASL11-ProofNeedCorrPages.pdf>

If your papers not there, it means your paper already in final stages on press for Advanced Science Letters. We will update you as soon as the papers go alive in Advanced Science Letters.

Best regards

TelSaTech 2015

Dear Mr. Bowo Eko Cahyono

Thank you for sending the edited manuscript. Please send the pdf version and revision report. Previously you already sent the revision report and we will use the latest version from you.

Best regards

TelSaTech 2015
