Manuscript Number: JETHNO-D-21-02894

Curcumin inhibits the invasion and metastasis of triple negative breast cancer via Hedgehog/Gli1 signaling pathway

Dear Mrs Hernawati,

Thank you for agreeing to review the above referenced manuscript.

Timely reviews are of utmost importance to authors, therefore I would be grateful if you would please submit your review by Aug 19, 2021.

Please read the following instructions carefully before starting your evaluation:

<https://www.elsevier.com/reviewers/how-to-conduct-a-review>

Please also note these important ethical guidelines all reviewers are asked to follow:

* You should treat the manuscript and your review as confidential. You must not share your review or information about the review process with anyone without the agreement of the editors and authors involved, even after publication. This also applies to other reviewers' "comments to author" which are shared with you on decision (and vice versa).

* If you suspect plagiarism, fraud or have other ethical concerns, please raise your suspicions with the editor, providing as much detail as possible.

* Any suggestion you make that the author include citations to your (or your associates') work must be for genuine scientific reasons and not with the intention of increasing your citation counts or enhancing the visibility of your work (or those of your associates).

To view the manuscript, please click

here: <https://www.editorialmanager.com/jethno/l.asp?i=501911&l=HYT4ZMW3>.

When you are ready to submit your review, you may access the submission record here <https://www.editorialmanager.com/jethno/l.asp?i=501912&l=IBWZYNG7>. Please click on the "Submit Recommendation" link to enter your comments.

If, for any reason, the above link does not work, please log in as a reviewer at <https://www.editorialmanager.com/jethno/>.

As a reviewer you are entitled to complimentary access to ScienceDirect and Scopus. This 30-day access can be activated in the [Rewards] section of your profile in Reviewer Hub (reviewerhub.elsevier.com) and you have six months to activate it.

Please visit the Elsevier Reviewer Hub (reviewerhub.elsevier.com) to manage all your refereeing activities for this and other Elsevier journals on Editorial Manager.

I look forward to receiving your review soon.

Please note that as a part of the Your Paper Your Way service, we now differentiate the requirements for new and revised submissions. Authors may submit the manuscript as a single file Word or PDF to be used in the refereeing process, and the manuscript formatting will only

reflect the peer review requirements. To find out more, please visit the journal's Guide for Authors: <http://www.elsevier.com/journals/<slugified journal title>/<issn>/guide-for-authors>

Thank you in advance for your contribution and time.

Kind Regards,

Thomas Efferth
Associate Editor
Journal of Ethnopharmacology
