I am writing to regret our submission of manuscript with title: "The Prevalence of disability and drop out of treatment: A cross-sectional study of social stigma and motivation for healing among people affected by leprosy in District of Jember, East Java Province, Indonesia" which we submitted to your journal. We are submitted on 12 December 2018. Could you explain the progress of our manuscript? In your journal website, you mentioned if we didn't get information within 3 days after submission, we could contact the editor.

Thank you.

Dear Dr Susanto

We are sending herewith the edited pre-print version of our manuscript entitled , “ Prevalence of Disability and Drop out from Treatment: A Cross-sectional Study of Social Stigma and Motivation for Healing Among People Affected by Leprosy in District of Jember, East Java Province, Indonesia”, submitted to Indian Journal of Leprosy. This article has been scheduled for December, 2019 issue which is in press.

Editorial changes mainly relate to references ( their accuracy, listing and citation as per format of journal), minor language/ spelling corrections wherever essential. Please go through this version carefully and confirm whether you agree with this version. You may carry out minor corrections/ changes in track changes mode and mail to us as early as possible positively by 7th February, 2020.

If we do not hear from you by this date, then your article will not be included & rescheduled to a later issue as we plan to bring out Dec 2019 issue during 3rd week of this month.

Looking forward to your support and cooperation  
And with best wishes
